

MEMORIAL TREE GROVE

AT SHAMROCK PARK

Bel Air

Shamrock Park
Lee Way
Bel Air, MD 21014

Shamrock Memorial Grove

Designed by the Town of Bel Air Tree Committee, the Memorial Tree Grove offers a park-like setting for the planting of trees as a memorial to residents that have passed away.

A granite marker denotes each tree location, the species and the person to which it is dedicated. Numerous existing species may be selected or a new tree planted as a living memorial. The cost of contributing a new tree to the grove will depend on the cost of plant material and installation plus \$100 for the marker and maintenance. The cost of designating an existing tree will be \$100 for the marker and maintenance. Sculpture or other park amenities may be dedicated with costs calculated on a case by case basis.

Rockfield Memorial Grove

For those residents who wish to remember their companion pets, a space has been set aside adjacent to the Ewing Street athletic fields in Rockfield Park. This area provides for only the placement of trees or shrubs using the same donation guidelines as Shamrock Park.
